**Patrick Endorses Buckingham for Land Commissioner**  
*"A proven, conservative fighter for the people of Texas."*

HOUSTON TX – Texas Lieutenant Governor Dan Patrick offered the following statement of endorsement for Senator Dawn Buckingham for Commissioner of the General Land Office:

"I'm honored to endorse my good friend Senator Dawn Buckingham for Texas Land Commissioner. Dawn is a proven, conservative fighter for the people of Texas can count on to secure our border, protect private property rights, defend the Alamo, and take care of our brave veterans.

"In the Texas Senate, Dawn and I worked together to tackle numerous conservative priorities this session, including protecting the unborn when a heartbeat is detected, restoring Texans' Second Amendment rights with constitutional carry, protecting conservative speech from big tech censorship, and fighting back against liberal efforts to 'Defund the Police.' None of these remarkable conservative victories would have been possible without the hard work and dedication of Senator Buckingham.

"I'm proud to offer Dawn my full support and I look forward to continuing our work together on behalf of the people of Texas."
